

Rochelle High School Junior High Band Night

Dear Parents,

On Friday, October 24th, the Creston School Varsity Band members will be performing with the Rochelle High School Band during pre-game of the varsity football game. The students will receive free admissions to the football. If parents are interested in attending the performance, they will have to purchase a ticket to the event. Below is a schedule to give you an idea of the day's events. After the performance, the students will be able to leave the game. Students are responsible for purchasing their own meal at the game. If you have any questions concerning the trip, please feel free to contact me at school 384-3920.

Sincerely,
Mr. Michael Leone
Music Director
